Benefits

PacToll provides PacLease and their customers with a complete solution to manage toll-related activities—and to save time and money.

The PacToll Process

You rent or lease from PacLease.

As you incur tolls on the road, PacToll associates them with your vehicles.

PacLease generates a regular, single invoice for you to pay all toll bills from all tolling authorities - so you save time and money with zero hassle.

Who is Bestpass?

Since 2001, Bestpass has been helping truckers across the country save money at the toll booth while streamlining toll management back office activities. Bestpass works directly with PacLease to offer you the best service and costs. Over 250,000 enrolled vehicles generating over \$45M in monthly tolls use Bestpass.

Powerful Account Tools

- Single invoice for all toll costs, generated by PacLease
- More than 40 tolling authorities
- Toll reconciliation and validation
- Simple, single payment for all toll usage
- Option to use existing Bestpass account
- Single point of contact for customer service

PacToll Freedom
